

Countess Owners' Association

The Colvic Countess 28, 33, and 37 were designed by Ian Anderson MRINA and built by Colvic Craft. They are strong, spacious and seaworthy boats, which have voyaged to all parts of the world.

We welcome new members!

- Two glossy newsletters posted to you each year
- A detailed technical library including the original plans
- Rallies, informal meetings, drinks, and dinners
- A London AGM at the Cruising Association in February
- Contact details of nearby members
- Experience of engines, rigging, electrics, GRP repairs, etc.
- Owners of the Seastream 34 and 43 are also welcome

Joining is simple, quick and inexpensive:
